Dear Director Mendakiewicz, dear teachers, dear students!

I would like to thank you for the gala meeting and gala concert on the occasion of the 75th anniversary of the founding of your school. I am very sorry that I cannot attend this celebration for work reasons, but I believe that in the future we will once again build on the beautiful long-term cooperation between the two schools, which was affected by the covid epidemic. On my own behalf and on behalf of my colleagues, I would like to congratulate the school management, teachers and also the students and wish them many academic and artistic achievements. I look forward to meeting you in person next school year! With friendly and cordial greetings from Prague
